Trustees: Review chapters 1-5 of the "TRUSTEE FACTS FILE, third or fourth edition," placing particular emphasis on the Library Board Bylaws contained in Chapter 3. <a href="https://www.cyberdriveillinois.com/departments/library/libraries/pdfs/trusteefacts.pdf">https://www.cyberdriveillinois.com/departments/library/libraries/pdfs/trusteefacts.pdf</a> Describe the Library Board's plan to modify or create bylaws as a result of the review.
me	e Board of Trustees reviewed chapters 1-5 of the "Trustee Facts File, 4th edition, at their October 2017 regular eting. These chapters were particularly pertinent this year because the Board has one new Trustee, one Board cancy which will be filled in the next few months, and they will be hiring a new director in the first quarter of 2018.
The the Fac	e Board bylaws, which were last revised in October 2016, require an annual review. Due to the recent resignation of Library Director, the next review will take place in the first half of 2018. Based upon the information in the "Trustee ct File," the Board will add a section on procedures for filling an unexpired Trustee term and update several other ctions.
Eve	ery Trustee has a copy of the Facts File and will refer to it when necessary during the year.

8. Continuing Education: Library staff and at least one trustee will complete at least one educational program focusing on safety in the library. The requirement can be met via live presentation, webinar or a free online course. Providers may include, but are not limited to, local police and fire personnel, an Illinois Library System, the American Library Association, the Public Library Association, the Illinois Library Association or other state libraries. Report on the libraries commitment to the safety of staff and patrons in the event of an emergency, active shooter, fire, etc.

Management staff reviewed the online presentation by Dr. Steve Albrecht entitled Trends in Safety and Security for Libraries in December. All staff will be reviewing this information over the next few months.

Trustee Greg Gordon reviewed the same online presentation and shared the pertinent facts with the Board at their December 11, Committee of the Whole Meeting. There was a general discussion about ways to improve safety in the building and to train staff in effective ways to deal with challenging situations.

9. Please provide the hours the library and its branches are open, i.e. Monday - Thursday, 9 a.m. - 9 p.m.

Monday - Thursday, 10 a.m. - 8 p.m.
Friday, 10 a.m. - 6 p.m.
Saturday, 10 a.m. - 4 p.m.
Sunday, Noon - 4 p.m. (Weekend after Labor Day to weekend before Memorial Day)

10. Outreach: The library shall familiarize itself with services provided by the Illinois State Library Literacy program at <a href="http://www.cyberdriveillinois.com/departments/library/literacy/home.html">http://www.cyberdriveillinois.com/departments/library/literacy/home.html</a>.

Provide a brief description of the library's current or planned services to accomodate low literate English speaking and/or English as a Second Language patrons. Explain the library's involvement, if any, with the Illinois State Library Literacy initiative and/or local literacy agencies.

Would you like a follow-	up discussion	with a member of the	Illinois State	Library Literacy	team after the
January 15 deadline?	Yes 🗌	Not at this time	<b>√</b>		

Although approximately 33% (2016 article in the Riverside-Brookfield newspaper) of the population of North Riverside is Hispanic, the Library does not have an active program to accommodate low literate English speaking and/or English as second language patrons. At their 11 December Committee of the Whole meeting, Trustees reviewed the grant and training opportunities offered through the Illinois State Library's Literacy Program. There was general agreement that when a new director is hired next year this should become one of the focuses of adult programming.

The staff management team also viewed the ISL website and discussed the importance of this topic to North Riverside residents. Although the Library does have a small Spanish language collection of books, it does not meet the challenge of low literate English speakers. In the coming year, the Library's adult programmer will work with local literacy groups to identify ways that the Library can provide appropriate services.

11. Planned Use of Funds: Describe how the library plans to use grant monies in order to meet standards described in the most recent edition of Serving Our Public 3.0: Standards for Illinois Public Libraries. Use general categories in identifying actual planned expenditures.

The Per Capita Grant Funds will be used to improve the Library's collections by purchasing materials in a variety of formats to meet the needs and interests of the community. Currently, the Library spends slightly more than 9% of the operating budget on materials - which is below the recommended standard of 12% outlined in Chapter 7/Collection Management and Resource Sharing. The additional money provided by the Per Capita Grant would raise the percentage of the budget spent on materials to approximately 9.6% and will provide valuable resources for the public both in North Riverside and throughout the SWAN service area.

Since it appears that there are no funds budgeted for furniture and equipment this year, Administrative Staff propose that this purchase be charged to line item 8158-01 Strategic Initiatives.

## POLICY PROHIBITING HARASSMENT, DISCRIMINATION AND RETALIATION

## (and Procedures for Reporting and Investigating Complaints)

The North Riverside Public Library is committed to maintaining a work environment free of discrimination, harassment and retaliation. In keeping with this commitment, the Library will not tolerate harassment of Library employees or officials by anyone, including any supervisor, coworker, elected or appointed official or any third-party. All employees and officials are expected to avoid any behavior or conduct which could reasonably be interpreted as harassment. All employees and officials are expected to make it known promptly, through the avenues identified below, when they experience or witness offensive or unwelcome conduct.

All employees and officials must comply with this Policy. Violations will not be tolerated. Even where conduct is not sufficiently severe or pervasive to constitute an actionable legal violation, the Library discourages such conduct in the workplace.

#### A. Discrimination

<u>Prohibited Conduct</u>. The Library prohibits discrimination, harassment and retaliation on the basis of race, color, religion, sex, sexual orientation, national origin, age, disability, or any other characteristic protected by law. A violation of this Policy, however, does not necessarily rise to the level of a violation of the law.

Application of Policy. This Policy applies to all employment-related decisions, actions, conduct and terms and conditions of employment, such as, but not limited to, hiring, training, promotion, wages, hours, assignments, benefits and termination of employment. Employment decisions at the Library will be based on considerations such as, but not limited to, the following: skills, experience, qualifications and merit, to the extent that any of those considerations would apply to the specific circumstances and position involved.

#### B. Harassment

Harassment is a form of discrimination and is prohibited. The Library seeks to provide a work environment in which all individuals are treated with respect and dignity and which is free from sexual harassment as well as other types of harassment described in this Policy.

All employees and officials are responsible for conducting themselves in accordance with this Policy. The Library will not condone harassment, whether engaged in by employees, supervisors, management, officials or by those who do business with the Library, such as, but not limited to, vendors, contractors, patrons, visitors and other third parties. Violation of this Policy shall be considered grounds for disciplinary action, up to and including termination of employees and reporting officials to appropriate authorities.

## 1. Harassment Relating to a Protected Status:

Harassment consists of unwelcome conduct, whether verbal, physical, or visual, that is based upon a person's protected status, such as sex, sexual orientation, color, race, religion, national origin, age, physical or mental disability or other protected group status. The Library will not tolerate harassing conduct that affects tangible job benefits, that interferes unreasonably with an individual's work performance, or creates an intimidating, hostile, or offensive work environment. The conduct forbidden by this Policy specifically includes, but is not limited to:

- Slurs, negative stereotyping, demeaning or degrading comments, nicknames or intimidating acts that are based on a person's protected status;
- Written or graphic material that is circulated, available on the Library's computer system or technology resources, or posted or distributed in the workplace that shows hostility toward a person or persons because of their protected status.

#### 2. Sexual Harassment:

Sexual harassment is conduct based on sex, whether directed towards a person of the opposite or same-sex. Unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature become sexual harassment when (1) submission to such conduct is made either explicitly or implicitly as a term or condition of a person's employment; (2) submission to or rejection of such conduct by an individual is used as a basis for employment decisions affecting such person; or (3) such conduct has the purpose or effect of interfering with an individual's work performance or creates an intimidating, hostile or offensive work environment.

This Policy forbids harassment based on sex, regardless of whether it rises to the level of a legal violation. The Library considers the following conduct to represent some of the types of acts that violate this Policy:

- 1. either explicitly or implicitly conditioning or providing preferential treatment in any term of employment (such as continued employment, wages, evaluation, advancement, assigned duties or shifts) on the provision of sexual favors;
- 2. physical contact, such as patting, pinching or brushing against any part of another's body or physical assaults of a sexual nature;
- 3. sexual propositions, sexual innuendo, suggestive comments;
- 4. continuing to ask an employee to socialize on or off-duty when the employee has indicated that she or he is not interested;
- 5. displaying or transmitting demeaning, obscene or sexually suggestive pictures, objects, cartoons, or posters anywhere in the Library workplace;
- 6. sexually oriented kidding, teasing, practical jokes, or threats;
- 7. referring to or calling a person a sexualized name;
- 8. telling sexual jokes or using sexually vulgar or explicit language;
- 9. making derogatory or provoking remarks about or relating to an employee's sex or sexual orientation;
- 10. harassing acts or behavior directed against a person on the basis of an employee's sex or sexual orientation; or
- 11. off-duty conduct that falls within the above definition and affects the work environment.

Everyone is required to avoid behavior or conduct that could reasonably be interpreted as prohibited harassment under this Policy. Employees and officials are encouraged to inform others in the workplace when their behavior is unwelcome, offensive, inappropriate, or in poor taste. Employees and officials are expected to come forward promptly and report any violations pursuant to this Policy before the alleged offending behavior becomes severe or pervasive.

#### C. Retaliation

The Library will not retaliate or allow retaliation against an individual who has made a report of a violation of this Policy or for cooperating in an investigation. This, of course, means that

employees and officials also must not retaliate against any individual who has made a report of a violation of this Policy or who has cooperated in an investigation. Retaliation by anyone against anyone else for reporting violations of this Policy or cooperating in an investigation is strictly prohibited. Anyone who is found by the Library to have engaged in retaliation may be subject to discipline, up to and including termination of employment, or reporting conduct of officials to appropriate authorities.

Whistleblower protections and remedies are available under the Whistleblower Act, 740 ILCS 174/1 et seq., the State Officials and Employees Ethics Act, 5 ILCS 430/1-1 et seq., and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq.

# D. Procedure for Reporting and Investigation of Harassment, Discrimination and Retaliation

1. <u>Reporting</u>: All employees and officials are responsible for helping to avoid all forms of harassment. Anyone who believes he or she has experienced conduct inconsistent with this Policy or otherwise learns of conduct prohibited by this Policy is responsible for reporting the conduct through the Complaint procedure.

This Policy does not require reporting harassment or discrimination to any individual who is creating the harassment or discrimination. Employees or officials may make an incident report for this purpose or may report conduct in any other manner, including making a confidential report to a supervisor, Library Director, Library Board, or the Department of Human Rights.

In addition, each supervisor must immediately report to the Library Director, or an official any complaint or observation of conduct which may violate this Policy. Supervisors or managers or officials who have knowledge of any conduct inconsistent with or prohibited by this Policy and do not report it to one or more of the above are subject to disciplinary action, up to and including termination or reporting officials to appropriate authorities.

- 2. <u>Report Immediately</u>: Verbal complaints, as stated, must be made immediately. The Library may follow up in writing in order to assure complete understanding of and resolution of the specific complaint.
- 3. <u>No Exception to Reporting</u>: Please note that there are no exceptions to this reporting requirement. There is no friendship exception. Even if the alleged victim or perpetrator of the conduct is a friend, acquaintance, family member, relative or co-worker, each and every employee and official is required to report the incident or complaint, as the case may be.
- 4. <u>Investigation</u>: Any conduct inconsistent with or prohibited by this Policy will be investigated promptly. The Library is committed to investigating and taking prompt and appropriate action with respect to all such claims and strongly urges internal utilization of this Policy. The Library may put reasonable interim measures in place, such as a leave of absence (with or without pay) or a transfer, while the investigation takes place.
- 5. <u>Disciplinary Action</u>: All reports of violations of this Policy shall be made in good faith. Therefore, all reports will be taken seriously and they will be promptly investigated. Employees and officials are required to cooperate with investigations conducted by the Library.

Employees or officials who engage in conduct that is found by the Library to be inconsistent with or prohibited by this Policy are subject to disciplinary action, up to and including termination or reporting to appropriate authorities. Persons knowingly making a false report are subject to disciplinary action, up to and including termination or reporting to appropriate authorities. Failure to cooperate in an investigation also will subject an employee to the same disciplinary action. The Library may discipline an employee for any inappropriate conduct discovered in investigating reports made under this Policy.

- 6. <u>Confidentiality</u>: To the fullest extent practical, the Library will keep complaints and the terms of their resolution confidential. However, in order to effectively investigate such complaints, the Library must inquire of employees or officials involved. The Library also has sole discretion to determine the scope of the investigation and, within that scope, the individuals who should be informed of and asked about the allegations.
- 7. The EEOC, State and Local Agencies: Employees and officials are encouraged to use the above complaint procedure(s) to report and resolve their complaints of harassment or retaliation to promote prompt resolution of any problems. However, employees and officials may also file a charge in writing with the Illinois Department of Human Rights within 180 days of the conduct and/or the Equal Employment Opportunity Commission at:

Illinois Department of Human Rights 100 W. Randolph St., Suite 10-100 Chicago, IL 60601 (312) 814-6200
